

## William C. Miller

For over 25 years, William Miller has been an internationally-recognized expert on values centered corporate innovation. He heads up the development of thought-leadership and intellectual capital as joint-founder of Values Centered Innovation Enablement Services, Pvt. In addition, he has been president of the Global Creativity Corporation (since 1987) and was Head of the Innovation Management program at SRI International (mid-1980's). In the late 1970's, he was corporate manager of training and development for Victor Equipment Co., the largest manufacturer of gas-welding equipment in the USA.

William has been acclaimed multiple times by *Leadership Excellence* ([www.eep.com](http://www.eep.com)) as among the top 30 thought-leaders worldwide on the subject of leadership. Two of his four books have been rated among the top 30 business books of the year in the USA by *Executive Book Summaries: The Creative Edge* (1987) and *Flash of Brilliance* (1999). His audio program *Creativity: The Eight Masters Keys* was the first audio-tape training program ever endorsed by Fortune Magazine. His newest audio program, *The Art of Spiritual Leadership in Business*, was released by Sounds True Inc.

William has also published over two dozen articles, been quoted in *Fortune Magazine* and the *US News & World Report*, and interviewed on *PBS* radio and *CNN-TV*. As a co-founder of the Global Dharma Center, he has expanded his focus to include the emerging practice of spiritual-based leadership.

William has been a Guest Faculty member at the Stanford University Graduate School of Business and has consulted and delivered keynotes in countries such as: India, China, Japan, Singapore, England, France, Holland, Czechoslovakia, Canada, and the USA. His clients over the past 25 years have included corporations such as:

3M, Associated Cement Companies (ACC), AT&T, Baxter Healthcare, Bell South, Charles Schwab, Chevron, Ciba Geigy, Compaq, Disney Institute, Dow Elanco, DuPont, Eli Lilly, Exxon Chemical, Ford Motor, HCL Technologies, Hewlett Packard, IBM, Infosys, Kraft Foods, Levi Strauss, Motorola, Nike, Nokia India, Northern Telecom, Philips Electronics, Pillsbury, Pizza Hut, Procter & Gamble, Samsung, Searle Pharmaceutical, Sematech, Shell Canada, Silicon Graphics

Throughout his career, William has developed and applied practical innovation tools and processes that show clients how to incorporate human values into their innovative work. His innovation methodologies have a proven record of breakthroughs in the field of innovation.
